Company history

Business values

Innovation

We continually push boundaries and set industry trends with our oral sprays. We see ourselves as a harmonious **blend of cutting-edge science**, unparalleled quality, and consumer-centric design.

Practical use

One of our core principles is to prioritize **practicality and enjoyment** for our consumers. We emphasize **user-friendly formats**, facilitating seamless integration into daily routines. Our range of flavors caters to diverse palates, making health maintenance a pleasurable experience.

Reliability

We dedicate our business to **exceeding expectations** of our customers and business partners. **Long term partnerships** is our key value.

Results

We are growth and result-oriented. And we with our partners the same.

Quality standards

Quality is our driving force.

Our **IFS and GMP certified** plant ensures the highest standards in food-grade production. We are dedicated to developing **scientifically and clinically proven** innovative formulations, using **superior and highly bioavailable** ingredients. Our commitment to quality is evident in our **market-proven products**.

Capacities

Our new building, complete with state-of-the-art facilities, allows us to produce food supplements with **enhanced efficiency and quality**. Our own premises support our commitment to innovation and excellence in every aspect of our production process.

Full capacity of oral sprays - up to 3 million

In the face of global challenges, Valens has experienced **sustainable growth** over the past 6 years.

Year	Income
2018	1.522.763,00 €
2019	1.992.933,00 €
2020	3.133.421,00 €
2021	4.652.549,00 €
