# ORAL SPRAYS

High-quality oral sprays, ready  
for your private label

# About us

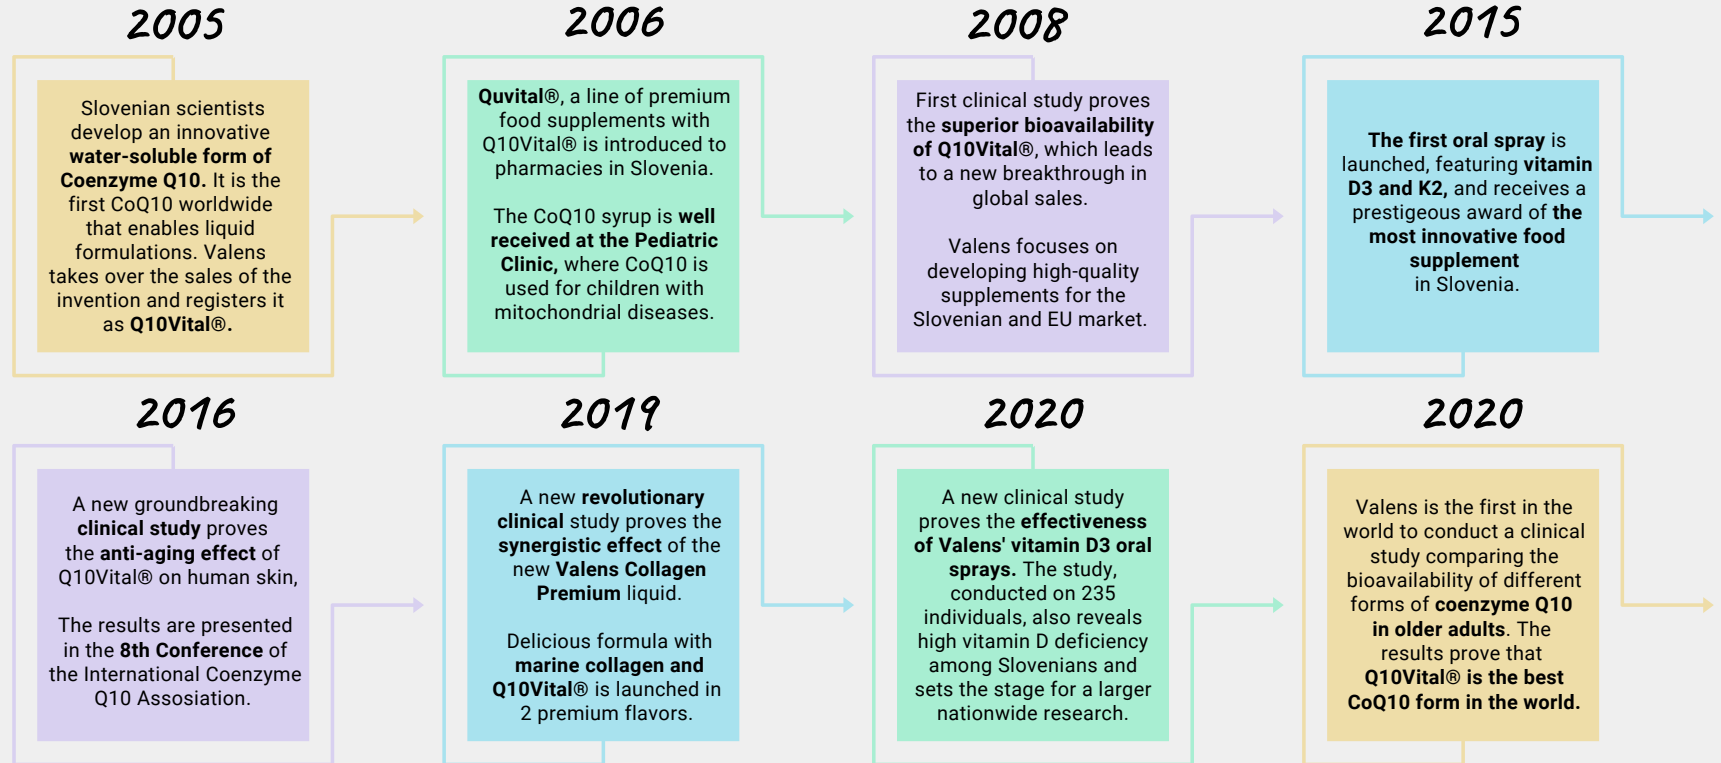

## *Mastering Health Solutions since 2005*

**Valens International**, a Europe-based and globally recognized manufacturer, specializes in **innovative food supplements** tailored to meet the demands of modern lifestyles and health-conscious consumers. Our expert team continually develops products that support **well-being and inner beauty**. Sold in over **30 countries**, mostly as private-label, we are rapidly expanding our global presence with a superior raw material **Q10Vital®**, the **world's best coenzyme Q10**.

Our production facility in Slovenia, **the heart of Europe**, adheres to internationally established quality standards, including **ISO**, **IFS**, and most importantly, **GMP**. We prioritize safety and quality by conducting regular tests and independent clinical trials, providing **proof of our products' effectiveness**.

# Company history

# And today?

Today, Valens stands as a thriving company with a new state-of-the-art, **GMP- and IFS-certified facility**. Our sales reach extends across five continents, with a diverse portfolio of over 50 proprietary brand products. Within **Slovenia**, we proudly hold a prominent position as **one of the leading brands** in the dietary supplements industry, with a **strong presence in pharmacies** and a sterling reputation **backed by medical professionals**.

Our unwavering commitment lies in enhancing the health and well-being of individuals **across generations**. We specialize in addressing the unique needs of **children**, as well as providing innovative solutions for **anti-aging and promoting overall wellness** for individuals **aged 40 and above**.

Our focus on proprietary formulas, premium ingredients, certificates and groundbreaking **clinical studies** ensures that our products stand as a **synonym for efficacy and safety**. We meticulously craft formulations that **prioritize absorption and convenient dosing**, ensuring optimal benefits for our consumers.
