## NUTRITIONAL SUPPORT

Comprehensive range of  
food supplements - liquids, oral sprays and drops

# About us

*Mastering Health Solutions since 2005*

**Valens International**, a Europe-based and globally recognized manufacturer, specializes in **innovative food supplements** tailored to meet the demands of modern lifestyle and health-conscious consumers. Our expert team continually develops products that support **well-being and inner beauty**. While our products are sold in over **30 countries**, mostly as private-label, we are rapidly expanding our global presence with a superior raw material **Q10Vital®**, the **world's best coenzyme Q10**.

Our production facility in Slovenia, **the heart of Europe**, adheres to internationally established quality standards, including **ISO**, **IFS**, and **GMP**. We prioritize safety and quality by conducting regular tests and independent clinical trials, providing **proof of our products' effectiveness**.

# Portfolio

The market for **kids' supplements** has been growing in recent years as parents become more **health-conscious** and seek ways to supplement their child's diet. Our portfolio includes a wide range of products, designed to support the health of our little ones.
